The school gives me information about events and activities	It would be helpful to know more in advance what trips and visits were taking place.	We now have an overview for the year with some costings.
The school seeks the views of parents and takes account of their suggestions and concerns	4 families disagreed.	There is a forum that meets to discuss parental views and there are parent representatives on the Board of Governors.  Next: We need to ensure that Parent Governors are known and accessible to the community.
I feel comfortable about approaching the school with questions or a problem or a complaint		
Staff expect my child to work hard and do his or her best		
Most children behave well	15 families were unsure.	We have raised the profile of our behaviour rewards in assemblies each Friday.  Incidents of bullying are extremely rare. We have reviewed our Behaviour Policy with an external consultant who praised its content.
The school provides appropriate homework		
There is a good range of activities that my child finds interesting and enjoyable	2 families disagreed.	We have introduced a broader range of after school clubs.  We have a greater number of visits/visitors planned.
