

Could you be the next CSI investigator?

Promoting British Values

During this term, we will democratically elect our Pupil Parliament Representative. We will be building respect for diversity, valuing others' beliefs and respect for others.

Dare to dream big!

As writers, we will write narratives we will write a diary entry that will be inspired from our book, Leon and the place between. We will be writing the diary entry as if we are one of the main characters by considering how they feel during significant moments of the story.

As scientists, we will learn how to compare materials; describe how materials dissolve to form a solution and how to recover a substance from a solution. We will demonstrate reversible and non-reversible changes and how changes result in the formation of a new material

In PSHE, we will explore how we are special, friends and family, how to get along and what to do when you feel angry.

As mathematicians, we will be developing our understanding on place value, comparing and ordering and counting forwards and backwards in powers of ten. Rounding up to 10,000

As theologians, we will look at the meaning of the five pillars of Islam and explore the Muslim faith. To explain the key beliefs of Muslims and how these affect the way Muslims choose to behave

As ICT technicians, we shall be evaluating our learning and then creating a short film summarising our learning over the last half term. It would be lovely if we had plenty of adults visit us and watch our films!

As artists and designers, we will develop our sketching skills, using different pencils to create texture and tone. We will identify and draw simple objects and use marks and lines to produce textures

As athletes, we will look at the skills involved in hockey. Dribbling and ball control as well as learning how to pass and defend. Building up to a team game.

As historians, we shall be taking a closer look at how crime and punishment has changed over the years whilst comparing them to our current crime and punishment systems.
